

## Do not machines create humans as much as humans create machines?

**Document C:** ““The Gutenberg Galaxy”: How McLuhan Opened a New Path in the Digital Age to the Socratic Ideal of the Examined Life,” article by Federico Ponzoni

Our lives are more and more determined by technologies, in particular by technologies that allow us to communicate with one another more cheaply, more rapidly, and across greater distances.

Which kinds of structures are highlighted in the text? .....

What do you remember about them and their exceptions? Fill in the grid, drawing inspiration from the quotation above when necessary.
