1 Read the document; then, answer the questions**A day in Gemma's life**

Hi! My name is Gemma, I am 11 years old and I live in Luton, near London. I live with my sister and father. Here is a typical day in my life.

In the morning, I wake up at 6:30 a.m., I make my bed and get dressed. At school, I must wear a uniform: grey trousers, a white shirt and a red jacket. I love my uniform.

After that, I go down to the kitchen and have a healthy breakfast: I eat toast and I drink tea. If I'm hungry, I also have two eggs. Then, I go to the bathroom, I brush my teeth, and

I go to school. My first class starts at 9:00 a.m., I mustn't be late!

After school, I go to my extracurricular activities: pottery on Mondays, volleyball on Tuesdays and Fridays, and photography on Thursdays.

On Wednesdays, I go to my friend's house to do my homework and play. At 5 p.m., I go home and play with my sister, then my father comes home, we have dinner and talk about our day. Then I have a shower and go to bed at 8:30 p.m.

How about you, what is a typical day in your life?
