

**Do not machines create humans as much as humans create machines?**

**Document C:** “‘The Gutenberg Galaxy’: How McLuhan Opened a New Path in the Digital Age to the Socratic Ideal of the Examined Life,” article by Federico Ponzoni

“Our lives are more and more determined by technologies, in particular by technologies that allow us to communicate with one another more cheaply, more rapidly, and across greater distances. [...] The more we use technology, the more we are somehow also used by it.”
